

Legion Demi-company

Dedicated Transports: Any Legiones Astartes Detachment within the Formation that contains only Infantry models may be upgraded with Legion Rhinos as Dedicated Transports. Heart of the Legion: Compulsory Core Detachment slots in this Formation must be filled with Legion Tactical Detachments. All non-Infantry models within this Formation increase their Tactical Strength by 1 when contesting an Objective marker that an Infantry model within this Formation is also contesting.

939 points

Formation Strength: 45; Break Point: 23
